Firmware Update Instructions

PS3 / PS4 Fighting Board

This document describes how to update the firmware of the Brooks PS3/PS4 Fighting Board.

NOTE   The update must be done on a PC; it cannot be done on a console.

New Version Board's update process

STEP 1   Un-zip and run App, don't plug the fighting board into a USB port.

STEP 2   Press the **PS** and **SHARE (or SELECT)** buttons at the same time, and then plug the Fighting Board into a USB port.

STEP 3   When **Updated** icon enabled in App, then click to update.

Note: At this time, the Updated icon still disabled, please use old version to update.

Old Version Board's update process

STEP 1   Un-zip and run App, don't plug the fighting board into a USB port.

STEP 2   Press the **L3** and**SRIGHT** buttons at the same time, and then plug the Fighting Board into a USB port.

STEP 3   When **Updated** icon enabled in App, then click to update.
